

7-9 Nov 2013

Singapore EXPO Convention & Exhibition Centre

Held alongside

SHOW PREVIEW

> WHY VISIT?

Discover the latest products and solutions from top innovators. **Network** with like-minded professionals and industry leaders, including academics, government officials, and policy makers. **Conduct** market research and take advantage of this dynamic platform to grow your business.

Learn best practices and latest findings of the industry at the International Skyrise Greenery Conference plus other companion conferences and workshops

BUSINESS FORUM

Gain exclusive insight into the key horticultural and landscaping projects as industry experts from the region converge at the business forum to share their experiences with you!

> WHO SHOULD VISIT?

- Landscape architects, architects, city planners, environmental graphic designers
- Agronomists, arborists, botanists, floriculturists, horticulturists
- Landscape contractors/implementers
- Consultants, engineers
- Facility managers, property developers
- Government and public agencies
- Distributors, manufacturers, retailers and wholesalers of landscape and urban greenery products and solutions
- Academics and students

POPENING HOURS

GreenUrbanScape Asia will be open to registered visitors during the following times

7 November: 10 a.m. - 7 p.m. 8 November: 10 a.m. - 7 p.m. 9 November: 10 a.m. - 6 p.m.

Entry to exhibition is free, please register at www.greenurbanscapeasia.com

Technical Tours

Go on a guided tour around Singapore as you experience first-hand the tangible benefits of skyrise greenery via 3 specially customised site tours.

Route ASkyrise Greenery:
Social Spaces in the Sky

Route B
Skyrise Greenery:
Beyond Commercial Value

Route CThe Formula Behind Singapore's "City in a Garden"

Mobile App

Download the free event app for an enhanced experience!

Simply scan your associate's event badge to save their contact details and take advantage of the scheduler feature to fix a meeting with them. Access event information, programme and other happenings at the touch of a button. **Scan this QR code to get started!**

Advance Sports Technologies Pte LtdSynthetic / Artificial Turf

AT & Besquip (Asia Pacific) Pte Ltd

Machinery & Equipment

EXHIBITOR SHOWCASE

- >> Every creative mind dreams of creating without limits. Green Turf turns that dream into reality. Be it flooring, walls, ceilings, rooftops, green walls, indoors or outdoors, our range of premium synthetic turf and plants gives you the true freedom to create soft capes anywhere you want without the limits of conventional live greenery. Green Turf's GAIA series, which has been awarded the Singapore Green Label, manifests our commitment to constantly strive for environmentally-friendly and sustainable solutions.
- >> Love a challenge? So does the Gator HPX 4x4. Try it on tough terrain under tricky conditions and see for yourself! Where other vehicles struggle or even grind to a halt, the Gator's "true" 4-wheel drive ensures maximum torque. Its hydro formed frame and 4-wheel suspension delivers the best in comfort, traction and stability. The robust overall design is rounded off with a powerful diesel engine that can reach a top speed of 40 km/h.
- >> The ATS Group of Companies operates in Singapore, Malaysia and Indonesia. In Singapore, the ATS Group of Companies operates under Agricultural Tractors Spares Pte Ltd, which was formed in 1981. ATS is a leading distributor of turf maintenance equipment and fertilizer, sports field surfaces (synthetic turf, running track, hard court etc.), golf course accessories, irrigation systems, lakes and pond aerators, etc. In addition, our experienced parts and technical personnel serve to render support and provide efficient after-sales/services to our valued clients.

Atelier DreiseitlLandscape & Urban Design

>> Over the last 30 years, Atelier Dreiseitl has amassed an impressive portfolio of projects that possess aesthetical beauty and reflect cultural significance, having carried out work throughout the world, from Europe and North America to Asia and the Middle East. Key projects in Singapore include the Central Watershed Urban Masterplan and its related Water Sensitive Urban Design Guidelines as well as the 3km Kallang River restoration within the newly designed 60 ha Bishan Park.

Bonar Xeroflor GmbHLandscape Architecture & Master Planning

The Xero Flor system utilizes pre-vegetated mats based on advanced German technology — engineered, patented, and refined over more than 40 years of ongoing R&D. Xero Flor has been proven successful and sustainable with tens of thousands of flourishing installations worldwide. Xero flor can be installed on flat, sloped, pitched or metal roofs. Materials are Cradle to Cradle certified for environment benefits. The vegetation mats help to significantly extend the lifespan of waterproofing membranes, and even double their durability. It has a build up thickness of 65 mm can store 30 litre of rain water per meter square. It is simple to install and ready for PV panel installation even after completion of green roof installation.

Chop Ching HinGreen & Urban Solutions

>> Chop Ching Hin Pte Ltd was established since 1987, started off as a plant nursery that steadily grew into a major supplier of softcape and landscape materials to government agencies, landscape service providers and retail nurseries. The company owns 200 acres of land in Malaysia, 12 acres in Thailand and 7 acres in India and with a substantial team of workforce and professionals that manages a wide variety of trees, palms, shrubs, ground cover, etc.

At GWS™ Department, we strive to improve our environment, encourage greening efforts among our society and inspire the future generation to care for our precious Earth. We constantly explore new ideas to innovate solutions to solve growing problems faced within our modern society.

EXHIBITOR SHOWCASE

Elmich Pte LtdGreen & Urban Solutions

>> Established since 1985, Elmich Pte Ltd is a leading provider of state-of-the-art and ecologically-minded urban landscaping, waterproofing, drainage, and storm water management solutions to building developers, contractors, and landscape architects around the world. Headquartered in Singapore, Elmich's outlook is global, supported by offices in Guangzhou, Sydney, Seattle and Zurich. We work closely with our network of distributors covering 6 continents in over 20 countries.

Gale Pacific LimitedLandscape & Urban Design

>> Gale is a trusted leading global marketeer and manufacturer of branded screening and shading products for domestic, commercial and industrial applications. Under the Synthesis brand the company produces a range of advanced polymer fabrics for commercial and industrial applications.

Galmon Pte LtdMachinery & Equipment

» As the pioneer of Mobile Elevated Work Platforms since 1982, Galmon continues to grow and develop deeper expertise by remaining true to its founding principles – Trust, Teamwork and Safety. Admission by invitation only.

nature reserves, parks, park connectors, vertical and high-rise greenery. This is the result of five decades of conscientious planning and commitment at greening the city-state. Given Singapore's limited land space, new and innovative programmes are being implemented to further extend greenery in our urban landscape. These initiatives aimed to create a Singapore that will remain lush and pervasive in greenery even as demands of development grow. Singapore has truly proven her ability to balance economic growth with environmental sustainability, as the city remains committed to the vision of making Singapore a City in a Garden.
